It's raining Peppa.
What should we
do now?

Dear George! I have
an umbrella but can
you see the rain
drops?

In the market, they both met Pedro Pony. He suggested to follow the path to meet their friends.

Let's play and complete the pattern.

After returning home, Mumma pig gave few tasks to both of them.

Let's play the treasure hunt and write the first letter of all the pictures.

Yippee! This is my favourite game.

Match the letter with the correct picture.
